

## Indoor Prayer Walks

*A great option when weather doesn't allow outdoor visits to our shrines and statues.*

### **Third Floor Indoor Prayer Walk through Salvation History**

Start outside room 361 with *The Garden of Eden* (1828) by American Thomas Cole, and follow the main hall to room 318 then return to room 320 to continue around the courtyard and finish at room 357 with *The Last Judgement* (1853) by Englishman John Martin. Each classic painting depicts an event in salvation history and features scripture the painting invokes.

### **Second Floor Indoor Prayer Walk through the Psalms and Nature**

Start outside room 275 with Psalm 18:2 and *Antelope Canyon in Warm Light* by Kate Thompson, and follow the main hall to room 218, then return to room 220 to continue around the courtyard and finish at room 245 with Psalm 8:3-4 and *Star Trails at Aguerberry Point* by Scott Stulberg. Each nature canvas features an inspiring Psalm.
